

INTRODUCTION

Inel Gas Controls Pvt Ltd is serving to Gas Industry since 2006.

We are:

ISO 9001:2015 Certified Company.

OHSAS 18001: 2015 Certified Company.

NABL Certified Calibration Lab

CALIBRATION SERVICES

IGCPL Calibration Laboratory has been established & Certified by NABL and in accordance with ISO 17025:2017.

Details of Calibration Laboratory (Fluid Flow Measuring for Gas Flow Meters)

- Lab ID: C-1340
- Certificate No: CC-3092
- Medium – Air
- We can calibrate – RPD, Turbine, Ultrasonic, etc. Meters
- Laboratory Uncertainty - $\pm 0.43\%$
- Measurement Range: 2 m³/hr to 1350 m³/hr
- Pressure: Atmospheric Pressure
- Calibration Method: Comparison
